What will you draw?

To prepare your chalk drawing, think about what you've learned about Remembrance Day.

What does it mean to you? Maybe it's a symbol, a story, or a feeling.

Do you have a family member who served, or is serving, in the Defence Force?

What would you say to a past or present service person?

Why do you think Remembrance Day is important?

How do we remember?

- Stay silent for a minute at 11:00am on 11 November
- Wear a red poppy - a symbol of remembrance
- Attend an RSL memorial service

What is Remembrance Day?

World War I ended at 11:00am on 11 November 1918. 11 November is now known as Remembrance Day. It's when we remember service people who lost their lives in wars, conflicts and peacekeeping missions.

What is Draw to Remember?

For this activity, we're going to make a chalk drawing for Remembrance Day to honour the men and women who died while serving in our Defence Force.
